

ARJUN SHARMA

Bengaluru, Karnataka, India | +91 98XXXXXX21 | arjun.sharma@email.com | linkedin.com/in/arjunsharma | github.com/arjunsharma

PROFILE

Entry-level Data Analyst with hands-on experience in Python, SQL, Excel, Power BI and data visualization. Strong at cleaning datasets, identifying trends and translating business questions into clear, actionable insights.

TECHNICAL SKILLS

Languages: Python, SQL **Analytics:** Pandas, NumPy, Matplotlib, Seaborn **BI:** Power BI, Excel **Database:** MySQL
Tools: Git, GitHub, Jupyter Notebook

EXPERIENCE

Data Analyst Intern | InsightWorks | Bengaluru | May 2026 – Jul 2026

- Cleaned and transformed 50,000+ sales records using Python and Pandas.
- Wrote SQL queries for customer, product and revenue analysis and automated recurring reports.
- Built Power BI dashboards tracking revenue, profit, regional performance and monthly trends.
- Presented findings to the team and identified opportunities to improve repeat-purchase performance.

Data Analytics Trainee | Self-Directed | 2025 – 2026

- Practiced exploratory data analysis, SQL joins, aggregations, subqueries and window functions.
- Created reproducible notebooks and documented analysis on GitHub.

PROJECTS

E-Commerce Sales Dashboard — Built a Power BI dashboard from transactional data; analyzed KPIs, product categories, regions and monthly revenue.

Customer Churn Analysis — Used Python/Pandas and visualization to identify churn patterns and segment high-risk customers.

SQL Business Insights — Developed SQL analyses covering joins, CTEs, window functions and business metrics.

EDUCATION

B.E. in Information Science & Engineering — SSIT, Karnataka | 2023 – 2027

Relevant coursework: DBMS, Statistics, Python, Data Structures, Data Analytics

CERTIFICATIONS

Google Data Analytics Professional Certificate (sample) • Microsoft Power BI Data Analyst (sample) • SQL for Data Analysis (sample)
