

# RIYA PATEL

Bengaluru, Karnataka, India | +91 97XXXXXX42 | [riya.patel@email.com](mailto:riya.patel@email.com) | [linkedin.com/in/riyapatel](https://linkedin.com/in/riyapatel) | [github.com/riyapatel](https://github.com/riyapatel)

## PROFILE

Entry-level Full Stack Developer skilled in building responsive web applications with React, JavaScript, Node.js, Express and SQL. Comfortable with REST APIs, authentication, Git and deploying complete applications.

## TECHNICAL SKILLS

**Frontend:** HTML, CSS, JavaScript, React, Bootstrap   **Backend:** Node.js, Express, REST APIs   **Database:** MySQL, MongoDB   **Tools:** Git, GitHub, Postman, VS Code   **Concepts:** Authentication, MVC, CRUD, Responsive Design

## EXPERIENCE

### Full Stack Developer Intern | WebCraft Labs | Bengaluru | Jun 2026 – Aug 2026

- Developed responsive React interfaces and reusable components for internal business applications.
- Built and tested REST APIs using Node.js and Express with MySQL-backed CRUD operations.
- Implemented JWT-based authentication, role-based access and server-side validation.
- Collaborated through Git/GitHub and participated in code reviews and sprint planning.

### Web Development Trainee | Self-Directed | 2025 – 2026

- Built full-stack practice applications and documented source code, setup instructions and API endpoints on GitHub.

## PROJECTS

**Task Management Web App** — Created a React + Node.js application with user authentication, CRUD tasks, filtering and a MySQL database.

**E-Commerce Store** — Built product browsing, cart, login and order-management flows with a REST API and responsive UI.

**Student Portal** — Developed role-based student/admin dashboards with database-backed attendance and profile management.

## EDUCATION

**B.E. in Information Science & Engineering** — SSIT, Karnataka | 2023 – 2027

Relevant coursework: OOP, DBMS, Data Structures, Web Technologies, Software Engineering

## CERTIFICATIONS

Meta Front-End Developer Certificate (sample) • Full Stack Web Development Certificate (sample) • REST API Development (sample)
